

# NuLyft 200WF Adjustable Base

Essential adjustable comfort with wireless control, zero-gravity positioning, Bluetooth connectivity, and reliable everyday support.

## Key Features

- Independent back and leg lift
- Useful for a custom position for rest, reading and relaxation
- Wireless remote with memory function
- Optional Bluetooth app control
- 1,200 lb evenly distributed capacity
- 10 Year Limited Warranty

### Personalized Positioning

Independent back and leg lift lets users find a more comfortable position for sleeping, reading, relaxing, or lounging.

### One-Touch Comfort

Includes zero-gravity, flat, and memory positioning from the wireless remote for simple day-to-day adjustment.

### Everyday Support

Built for dependable use with up to 1,200 lbs of evenly distributed weight capacity and a 10 Year Limited Warranty.

### PRODUCT DETAILS

#### Built for everyday adjustment.

The NuLyft 200WF is made for customers who want practical adjustable comfort without overcomplicating the bedroom. Back and leg lift, preset positioning, and optional app control help create a more comfortable setup for rest, reading, lounging, and sleep.
